If the income on any member is from self-employment, you may give information on costs so that we can determine the actual income to be counted. Document details on the back of this page.

(Note to Applicant: You do not have to report income for a person in the household who is not legally responsible for the patient's medical bills and is not counted in the family size. For example, if you have a brother or sister who lives with you, that person is not responsible for paying your medical bills and would not have to be counted or report income.)
